

MSc AI

Imperial College London

Book a Room

Some Options:

1. **Huxley Lab Rooms 219A/B/C:**

Please make bookings using the following web-page: <http://mrbs.doc.ic.ac.uk/lab>

Note: Room 219B is the middle, larger room.

Use **CELCAT** to check the availability of (lecture) rooms—if free, they can be used as a space. After using the link below, please follow the instructions on the next pages to search for free rooms: <https://www.imperial.ac.uk/timetabling/calendar/cal?vt=agendaWeek&dt=2023-12-04&et=room>

2. Some **other small meeting rooms in Huxley** (e.g., 217/218) are bookable only by departmental staff. If you urgently need a room and can't find one using the options above, you can contact the department directly, and they might be able to help you find or book one.

3. **Library rooms:**

You also have the option to use the following link to book rooms in the library:

<https://www.imperial.ac.uk/admin-services/library/use-the-library/room-bookings/>
<https://connect2.lib.ic.ac.uk/connect2/>

4. This is also a reminder that **Level 3 in Sherfield Building** offers a dedicated student space for self-study, socialising, and food preparation and consumption.

Searching HXLY 341 shows when the room is booked and for how long. For example, on Tue 12/5, the room is free from 11am-1pm.

If you have any room in mind, you can just try and check if it will be free for a specific time slot of your choice.
